Request to provide data from HOVON trials

Conditions for the use of data from HOVON trials

- Data provided will only be used for the purpose as described on this request form.
- The recipient of the data will not share the data provided with any third party other than the project partners / affiliates described on this request form and other than for the purpose as described on this request form.
- The HOVON trial(s) that generated the data provided will be referenced in any publications resulting from the use of the data provided.
- The HOVON board will receive a copy of any such publications within a week after the publishing date. The project leader will notify HOVON in case of failure to publish the results.
- The project leader and the recipient of the data are responsible that the project the data provided is used for is in compliance with any applicable laws and regulations.
- The project leader and the recipient of the data are responsible for the scientific quality and validity of the project the data provided is used for.
- Data delivery by HOVON includes the following: selection of the appropriate data and metadata to be provided to the recipient as present in the HOVON database; any required actions to ensure anonymity of the data and ensure patient privacy; conversion of the selected data and metadata in an acceptable format for the recipient.
- Details and planning of the data delivery need to be discussed with the HOVON Data Center statistician, who will contact the recipient of the data after approval of the request.
- HOVON may charge the recipient for the costs made for data delivery. HOVON will notify the recipient of this in advance.
- If the recipient wishes any further processing of the data or analysis of the data prior to delivery, this needs to be agreed upon separately with the HOVON Data Center. The HOVON Data Center may charge a fee for the services provided.

Please send a copy of the signed form by fax or e-mail together with a research proposal / project summary to:

HOVON Data Center

HDC@erasmusmc.nl

Fax +31(0)10 70 41 028

To be completed by HOVON executive board if approval to provide data is granted:
